

GREEN[®] IMMERSION

Bringing nature into the business room

A unique program that blends creativity, sustainability learning, and sparks awareness in day-to-day life.

As a manager, this is the perfect gift for your team to:

build bonds and **discover how sustainability impacts personal and planetary health.**

Which inspires:

renewed team spirit and **self motivated experiences.**

From awareness to action - it's fun.

Connection to one another through creativity and nature

New found appreciation of colleagues and nature

Improved team spirit and environmental consciousness

The concept in detail:

'This programme is perfect for all managers looking for a new format that combines sustainability and team building. This makes sustainability fun and meaningful, even for those who are not yet familiar with the topic.'

Thomas DANG TRAN, Finance Director, Bostik Construction & Consumer
